

REMARKS

Claims 1, 2, and 4-12 remain pending in this application. Claims 1-2 are rejected. Claim 3 is cancelled herein. New claims 4-12 are added. Claims 1-2 are amended herein to place the claims in proper form for U.S. practice.

Claims 1-3 have been rejected under 35 U.S.C. § 112, second paragraph, as indefinite for various informalities. The cancellation of claim 3 makes its rejection moot. Claims 1 and 2 have been amended to conform to U.S. practice and are believed to address the Examiner's concerns. Accordingly, Applicants respectfully request the withdrawal of this rejection.

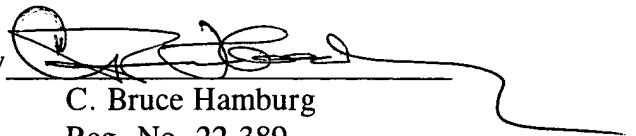

Claim 3 has been rejected under 35 U.S.C. § 112, first paragraph, as containing subject matter lacking an adequate written description in the specification. The cancellation of claim 3 makes this rejection moot. Accordingly, Applicants respectfully request the withdrawal of this rejection.

The drawings have been objected to under 37 C.F.R. § 1.83(a) as not containing every feature of the invention specified in the claims. Specifically, the Examiner is requesting a drawing that demonstrates the limitations of claim 3. The cancellation of claim 3 makes this objection moot. Accordingly, Applicants respectfully request the withdrawal of this objection.

One further independent claim in excess of three is added. Accordingly, please charge the fee of \$200 to Deposit Account No. 10-1250.

In light of the foregoing, the application is now believed to be in proper form for allowance of all claims and notice to that effect is earnestly solicited. Please charge any deficiency or credit any overpayment to Deposit Account No. 10-1250.

Respectfully submitted,
JORDAN AND HAMBURG LLP
